SECTION V
RECREATIONAL (ADULT USE) MARIHUANA ESTABLISHMENT LICENSES

1. All applicants for a Township recreational (adult use) marihuana establishment license shall be pre-qualified by the State of Michigan Marijuana Regulatory Agency and shall provide proof of such approval from the State prior to or upon applying to the Township for a Township license.

2. On and after October 31, 2019, the Township shall accept applications for a Township
license to operate a recreational (adult use) marihuana establishment within the Township. Application shall be made on a Township form and must be submitted to the Township Clerk and/or other designee of the Township Board (hereinafter referred to as the “Clerk.”). Once the Clerk receives a complete application including the initial annual recreational (adult use) marihuana establishment fee, the application shall be time and date stamped. All complete applications received on or after October 31, 2019 shall be considered for conditional authorization and/or Township licensure. In the event that more applications are submitted to the Clerk than the number of recreational (adult use) marihuana establishments authorized for Township licensure by this ordinance, the applications shall be considered by the Township Board pursuant to the evaluation criteria contained in Section VI of this Ordinance. The Township Board shall consider an application for a recreational (adult use) marihuana establishment licensure within 30 days of the date of receipt of a complete application. Once the Township Board has determined which applications will be authorized for Township licensure (per Section VI herein), any additional complete applications shall be held in abeyance for future conditional licensure. Any applicant waiting for future conditional licensure may withdraw their application by written notice to the Clerk at any time and may receive a partial refund of the initial annual medical marihuana fee submitted.

3. If a conditionally licensed applicant is denied a state operating license, then such conditional license will be canceled by the Clerk and the conditional license shall be available to the next applicant for the specific type of recreational (adult use) marihuana establishment license in order of rankings, per the evaluation criteria in Section VI.

4. A conditionally licensed applicant shall receive a license from the Township to operate the recreational (adult use) marihuana establishment within the Township upon the applicant providing the Clerk proof that the applicant has received a state operating license for the recreational (adult use) marihuana facility in the Township and the applicant has met all other requirements of this ordinance for the operation of a recreational (adult use) marihuana establishment.

5. If a conditionally licensed applicant fails to obtain a license from the Township within one year from the date of conditional license, then such conditional license shall be canceled by the Clerk and the conditional license shall be available to the next applicant for the specific type of recreational (adult use) marihuana establishment license in order of rankings, per the evaluation criteria in Section VI. The Township Board shall have the authority to extend the deadline to obtain a Township license for up to an additional six months on written request of the applicant, within thirty days prior to cancellation, upon the reasonable discretion of the Township Board making a finding of good cause for the extension.

6. A licensee shall not operate a recreational (adult use) marihuana establishment at any location in the Township other than the address provided in the application to the Township.
SECTION VI
LICENSE EVALUATION CRITERIA

In the event that the Township receives more applications for recreational (adult use) marihuana establishment licenses than are authorized by this ordinance, the Township Board shall review all applications to determine which of the applications are best suited to operate such establishment in the Township in compliance with Initiated Law 1 of 2018, as amended. In making such analysis, the Township Board shall consider the following criteria:

1. The applicant’s experience in operating other licensed marihuana businesses in Norwich Township or Missaukee County.

2. The applicant’s experience in operating other licensed marihuana businesses in Michigan.

3. If the applicant is a resident of Norwich Township, Missaukee County.

4. If the applicant is a resident of Missaukee County, Michigan.

5. The applicant's general business management experience.

6. The applicant’s financial ability and/or means to operate or maintain a marihuana establishment.

7. Whether the applicant has been delinquent in paying taxes to Norwich Township, Missaukee County and/or any other public entity in the past 10 years.

8. Whether the applicant has a history of non-compliance with any regulatory requirements in Norwich Township, Missaukee County or elsewhere within the State of Michigan.

9. An estimate of the number and type of jobs that the marihuana establishment expects to create and the amount and type of compensation expected to be paid for such jobs.

SECTION VII
GENERAL REGULATIONS REGARDING AUTHORIZED RECREATIONAL (ADULT USE) MARIHUANA ESTABLISHMENTS

1. A licensed recreational (adult use) marihuana establishment shall only be operated within the Township by the holder of a state operating license issued pursuant to Initiated Law 1 of 2018, as may be amended and the Rules promulgated thereunder. The facility shall only be operated as long as the state operating license and Township license both remain in effect.

2. Prior to operating a licensed recreational (adult use) marihuana establishment within the Township pursuant to a state operating license, the facility must comply with all applicable regulations.
3. Prior to operating an authorized recreational (adult use) marihuana establishment within the Township pursuant to a state operating license, the establishment must comply with all Township construction and building ordinances, zoning ordinances (if applicable), all other Township ordinances specifically regulating recreational (adult use) marihuana establishments and generally applicable Township police power ordinances. The establishment shall only be operated as long as it remains in compliance with all such ordinances now in force or which hereinafter may be established or amended.

4. If at any time a licensed recreational (adult use) marihuana establishment violates this ordinance the Township Board may request that the state revoke or refrain from renewing the establishment’s state operating license. Once such state operating license is revoked or fails to be renewed, the Clerk shall cancel the Township license and the license shall be available to the next applicant for the specific type of recreational (adult use) marihuana establishment license in order of rankings, per the evaluation criteria in Section VI.

5. A recreational (adult use) marihuana establishment shall not be located within 350 feet of an existing public or private school providing education in kindergarten or any grades 1 – 12.

6. A recreational (adult use) marihuana establishment shall not be located within 500 feet of dwelling unit used for residential purposes, a church or house of worship or any township owned property or facility.

7. A recreational (adult use) marihuana establishment shall prevent smoke, odors, debris, dust, noise, lights, glare, heat, other emissions or discharge from interfering with the reasonable and comfortable use and enjoyment of another’s property. Whether smoke, odors, debris, dust, noise, lights, glare, heat, other emissions or discharge interfere with the reasonable and comfortable use and enjoyment of property shall be measured against the objective standards of a reasonable person of normal sensitivity.

8. A marihuana retailer establishment shall only be open to the public between the hours of 8:00 a.m. and 9:00 p.m.

9. All signage and advertising shall comply with Norwich Township, Missaukee County, MDOT or other applicable regulations.

10. A licensed recreational (adult use) marihuana establishment shall consent to inspection of the facility by Township officials and/or by the County Sheriff’s Department, upon reasonable notice, to verify compliance with this ordinance.

11. The Township expressly reserves the right to amend or repeal this ordinance in any way including, but not limited to, complete elimination of or reduction in the type and/or number of licenses for recreational (adult use) marihuana establishments authorized to operate within the Township.
SECTION VIII
ANNUAL RECREATIONAL (ADULT USE) MARIHUANA ESTABLISHMENT FEE

There is hereby established an annual nonrefundable Township recreational (adult use) marihuana establishment fee in the amount of $5,000, for each licensed recreational (adult use) marihuana establishment within the Township, to help defray administrative and enforcement costs associated therewith. An initial annual recreational (adult use) marihuana establishment fee of $5,000 shall be payable at the time of application for Township authorization and thereafter the same amount shall be payable each year by the anniversary of the date of Township licensure to operate the recreational (adult use) marihuana establishment.

SECTION IX
NONRENEWAL, SUSPENSION, REVOCATION, APPEALS

1. It is hereby expressly declared that nothing in this ordinance be held or construed to give or grant to any authorized recreational (adult use) marihuana establishment a vested right, privilege or permit to continued licensure from the Township for operations within the Township.

2. Each license is exclusive to the licensee and a licensee or any other person must apply to and receive Township Board approval before a license is transferred, sold or purchased. The attempted transfer, sale or other conveyance of an interest in a license without prior approval of the Township Board is grounds for suspension or revocation of the license or for other appropriate sanction.

3. The Township Board, after notice and hearing, may suspend, revoke or refuse to renew a license for any of the following reasons:

   a. The applicant or licensee, or his/her agent, manager or employee, has violated, does not meet or has failed to comply with any of the terms, requirements, conditions of provisions of this ordinance or with any applicable state or local law or regulation;

   b. The recreational (adult use) marihuana establishment has operated in a manner that adversely affects the public health, safety and welfare.

4. Evidence to support a finding for nonrenewal, suspension or revocation of a license may include, without limitation, a continuing pattern of conduct of drug related criminal complaints within the premises of the recreational (adult use) marihuana establishment or in the immediate surrounding area or an ongoing nuisance condition emanating from or caused by a recreational (adult use) marihuana establishment.

5. An applicant may appeal any Township decision regarding licensure, nonrenewal, suspension or revocation of a license to the full Township Board, upon written request. An applicant requesting such appeal shall submit the request in writing to the Township Clerk,
which request shall include reasons for the appeal. The Township Board shall, within a
reasonable time thereafter, provide notice to the applicant of the time and date of the Township
Board meeting at which the appeal will be heard. At such Township Board meeting, the
applicant will have the opportunity to present his/her case supporting their appeal request.

sentence, word, section or provision is hereafter declared void or unenforceable for any reason
by a court of competent jurisdiction, it shall not affect the remainder of such ordinance which
shall continue in full force and effect. The provisions herein shall be construed as not
interfering or conflicting with the statutory regulations for licensing recreational (adult use)
marihuana establishments pursuant to Initiated Law 1 of 2018, as amended.

**SECTION XI**
**REPEAL**

All ordinance or parts of ordinances in conflict herewith are hereby repealed.

**SECTION XII**
