Before the Township Supervisor shall issue any permit, he or she shall record the same in a book to be provided for that purpose.

Section 7. No person or persons holding a permit as junk dealers or garbage collectors designated in this Ordinance shall by virtue of one permit keep more than one shop, store, or place for such business; provided, however, that such person or persons may remove from one place of business to another in the Township by giving a notice in writing to the Township Supervisor specifying the building, number and street or road to which removal is intended to be made, but no removal shall be made until it has been approved by the Reeder Township Board.
